## Neighborhood Traditions

Between nights out trying new restaurants (have you had the corn and artichoke fritters—they're gluten free, hallelujah—from page 9's **Confab Kitchen + Bar?**) and finding fun things to do as a family (check out **Food Truck Fridays** at Blackburn Park on page 10), my favorite thing to do in this 'hood is a trivia night at **Vintage Pizzeria**. Perfectly cozy, there's always room to add on to a table we save for family and friends. We bring a myriad of minds to sip beers, chow down

LOOKING BRIGHT AND BRINGING THE BRAIN POWER! SLICES, SUDS AND TRIVIA NIGHT WITH THE FAMILY AT VINTAGE PIZZA.

on pizza and weigh in on topics from classic literature to sports, pop culture and world geography, to name a few. We have never won, but we've come close often enough to make it so much fun even when we don't.

There are so many good traditions just like that in this neighborhood—and we've got a great place to begin. Starting on page 13, **meet the businesses that you and your community nominated and voted as the Best of Brookhaven/Chamblee**. From doctors and wellness services to home improvement professionals, restaurants and more, these are the people you trust with the things that matter most. Meet the entire 2026 class at [atlantabestmedia.com](http://atlantabestmedia.com) and keep us posted on what new favorites you discover!

Enjoy reading all about the fun things to do over the next few pages—and there's even more online. Like this month's sit-down with the owners behind the beloved Chamblee staple Fūdo (and its new sister restaurant in Brookhaven, Mirae, on page 9). Visit the website to learn how their standard of service and dynamite rolls incite a culinary experience like no other.

I look forward to exploring all the new traditions Brookhaven/Chamblee has to offer with you this season!

# my Food Faves

Tried and true or new to you

1. See what all the buzz is about at **Mirae**, Brookhaven's newest sleek Asian-fusion restaurant from restaurateurs Grace and John Lee. We say, start with the soy-infused **Chilean Seabass**, which arrives on an impossibly pillowy spread of herby cauliflower puree and is topped with spicy nasturtium oil and a delicately crisp tuile.

1350 Dresden Dr. NE, Ste. 1001, miraeatl.com

1

2. At **South End Smokehouse**, authentic Texas-style BBQ is a celebration of low-and-slow-smoked goodness. Get **The Brisket Cheesesteak**, filled with flavorful, tender brisket mixed with their creamy homemade cheese sauce and layered with grilled peppers, onions and provolone cheese on a toasty hoagie.

3509 Broad St., Ste. 400, southendsmokehouse.com

2

3. After savory indulgences in pan-fried feta cheese and truffle Parmesan fries, **Terra Terroir** has the final word with their housemade **Sabayon**. This is a light and creamy French custard blended with liquor (often sherry) and made even more airy after being folded into a light, fluffy whipped cream and topped with fresh berries.

3974 Peachtree Rd., terraterroir.com

3

4. If you're still hungry after **The Ashford's** whipped goat cheese, stuffed popovers and honey bourbon meatballs, polish them off with the impossibly tender **Chicken Schnitzel**. Sink your teeth into two crunchy breaded chicken breasts, served with roasted cauliflower, shaved Brussels sprouts and topped with wholegrain mustard cream.

1418 Dresden Dr., Ste. 170, theashfordatl.com

4

5. **Confab Kitchen & Bar** offers half-off wine bottles every Wednesday to complement Steak & Frites, Fish & Chips and Scotch Quail Eggs, amongst other Euro faves. For a stateside classic, we love the buttery **Lobster Roll**, made with creamy mayo, pickled celery, fresh Bibb lettuce and a golden split-top bun. Dredge it in Old Bay butter and indulge alongside a side of crispy fries.

Eugene "Pete" Chambers III at his Buckhead office. A divorce attorney whose authority comes from an unlikely place: having been the client.

## The Divorce Lawyer Who Sat on the Other Side of the Desk

**Most attorneys study family law.** Eugene "Pete" Chambers III lived it. After 25 years of practicing law, he found himself sitting across from a lawyer, navigating his own painful divorce. That experience changed everything: the way he practices, the way he handles cases and the way he understands his clients.

Today, Chambers Family Law operates from offices in Buckhead and Roswell, handling divorce, custody, child support, alimony, prenuptial agreements and appellate matters for clients across metro Atlanta. The firm has earned a reputation for two qualities that rarely coexist in litigation: fierce courtroom strategy and genuine human compassion.

(404) 795-5090

3344 Peachtree Rd. NE, Suite 800, Atlanta

675 Mansell Rd, Suite 115, Roswell

CHAMBERS FAMILY LAW  
ATLANTA'S BEST FAMILY LAW FIRM 2026

The distinction matters. Addiction-related divorce demands a lawyer who understands the disease, not just the statute. High-asset cases require a strategist who can see three moves ahead while keeping a client emotionally grounded. Chambers and Attorney P. Brandon Duckworth deliver both.

Clients describe the difference in remarkably consistent language. One called the outcome "not only fair, but better than we had hoped for." Another credited Chambers with solving every complexity of a difficult case "and coaching me along the way."

In a practice area where people arrive at their most vulnerable, Chambers Family Law has built something uncommon: a firm where personal experience is not a footnote in a bio but the operating philosophy behind every case it takes.
