Atlanta Braves Second Baseman Ozzie Albies Shares His Passion for Rescue Animals

WINNERS

From the Editor

Happy Spring, Vinings/Smyrna!

Do you guys have a bucket list? Things you really want to do if you get the chance to do them? With the temperature finally warming up, it's fun to think about all of the ways we want to get back outside and knock things off that certain to-do list. But, can I tell you a secret? As a lifelong Braves fan, I have been to hundreds of games. . . .at Turner Field and Fulton County Stadium. I have still never seen a game at Truist Park! Now that my kids are old enough to carry themselves,

we've got it on our bucket list this season. I can't wait to explore beyond The Battery and see the team (and the park!) in action. Got any tips for a Truist first-timer?

Contrary to first timers, but rather, tried and true, starting on page 10, **we've got the businesses that you and your community nominated and voted as the Best of Vinings/Smyrna.** From doctors and wellness services to home improvement professionals, restaurants and more, these are the people you trust with the things that matter most. Meet the entire 2026 class at atlantabestmedia.com, and get ready to start exploring!

On par with my own wishes, we got to chat with Atlanta Braves second baseman Ozzie Albies this issue. He and his wife, Andreia, started **The Ozzie Albies Foundation** in 2021 to help animals across Atlanta. Read about what they've been up to, and where he likes to hang out when he's off the field on page 9.

Enjoy all of the fun things to do over the next few pages—and there's even more online. I look forward to exploring everything Vinings/Smyrna has to offer!

PROFILE

Ozzie Albies

ATHLETE • ANIMAL ADVOCATE • DOG DAD

By Wyndi Kappes

Atlanta Braves second baseman Ozzie Albies brings an unmistakable joy, energy and spark to the game, the kind that lifts up his teammates and fuels big swings. It's a spirit he carries off the field, where he's always pulling for the underdog in more ways than one. A lifelong animal lover, Albies and his wife, Andreaia, founded the Ozzie Albies Foundation in 2021 with a simple but powerful mission: to rescue and rehabilitate dogs with behavioral challenges—the ones too often overlooked, misunderstood and given up on.

Now, as the foundation approaches its five-year milestone and the 2026 Braves season gets underway, we sat down with Ozzie and Andreaia to reflect on the journey so far and how they stay sane in a lively household filled with seven rescue pups (Puchi, Louie, Cinnamon, Kane, Bubbles, Max and Georgia) and more than 200 fish!

What inspired you to start the Foundation?

Ozzie Albies: I've always wanted to give back, and after the Braves won the World Series, I felt it was the right time to make it official. My wife, Andreaia, and I created the Foundation to focus not just on rescuing dogs, but on truly rehabilitating them behaviorally. Most rescues don't have the resources to offer that level of ongoing support, so we built the Best Chance Program around daily training and emotional healing.

How do you balance baseball and rescue life?

OA: It's tough—especially for Puchi, who's obsessed with me—but I stay involved during the season, helping with decisions and checking in on the rescues. In the offseason, I am fully hands-on.

What's your dream for the Foundation this year?

OA: Our biggest goal is to acquire land and build a shelter. Right now, we're 100% foster-based, which means we can't rescue dogs unless we have a foster ready. Having a physical shelter would allow us to take in dogs more freely, provide them with consistent love and structure and give them a safe place to wait for their forever family.

What is one of your favorite examples of the impact the Foundation has had?

OA: I recently surprised students at Lockheed Elementary School after they wrote me letters asking for recommendations for a class pet. Instead of simply replying, I showed up in person and set up a full fish tank for their classroom. I walked the students through proper fish care, answered their questions and helped them understand the responsibility that comes with caring for a pet. It was a meaningful way to encourage curiosity, responsibility and a love for animals within the local community.

Doing Good in the Hood

Lend a hand to local causes

1 Get your hands dirty with **Chattahoochee Riverkeeper**. Volunteers **remove trash from rivers, streams, lakes and more** to ensure the Chattahoochee River has enough clean water flowing through. Join the effort during their cleanup sessions throughout the year, and mark your calendar for Earth Day Cleanup on April 18. 6020 River View Rd. SE, Ste. 100, chattahoochee.org/cleanups

2 Help your local library with the **Friends of Smyrna Library (FOSL)**. Through summer **reading programs, used book sales, monthly lectures or exciting and educational activities** for all ages, your shift with FOSL helps raise money to supplement the Smyrna Library's wide range of community offerings. 100 Village Green Cir. SE, friendsofsmyrnalibrary.com

3 You're invited into the heart of **Agape Youth & Family Center's** community, where caring adults help students thrive and Atlanta families feel supported. Volunteers **celebrate young people's milestones, tutor, mentor and share meals**. These hands-on services turn compassion into opportunity, building brighter futures one child at a time. 2210 Marietta Blvd. NW, agapeatlanta.org

4 Celebrate and protect Vinings' historic landmarks such as Pace House and the Old Pavilion with the **Vinings Historic Preservation Society**. **Assist with events, preservation projects and community outreach** and bring history to life. It's your chance to meet neighbors and make a visible impact on the future. 3010 Paces Mill Rd., vinings.org

5 Bring hope and happiness to a child in need on May 2 during **Walk for Wishes**. At Truist Park, participants **walk or run in the name of Make-A-Wish Georgia's mission**. This nationwide fundraiser celebrates the thousands of wishes granted while raising funds for future wishes for children facing critical illnesses. 755 Battery Ave. SE, wish.org/georgia/walk-wishes
