**MEET THE FATHER-AND-SON TEAM
PROTECTING GEORGIA FAMILIES**

Founded in 2011 by Justin D. Williams and later joined by his father Dennis Williams, our family-run firm brings more than 40 years of combined courtroom and negotiation experience to every case. As a small local firm, every client speaks directly with an attorney—not a case manager. Our mission is simple: provide passionate representation, share the wisdom from handling thousands of cases, and deliver the results our neighbors need to move forward.

From the Editor

Suburbs Summoning

One of my favorite things about all the new growth happening north of Atlanta is the fact that driving into the city for something fun to do is no longer the only good option. In fact, a short 20 minutes from my house puts my whole family into something they'll have a blast with. My husband gets to watch The Buffalo Bills play at **Standard at Roswell**. My kids can spot wildlife at the **Chattahoochee Nature Center** before begging for Build-Your-Own Pie Sundaes from **Doodle Pies** (read about them on page 11). And I can be whisked away to a lovely Croisette-like dinner via **L'Antoinette** in Crabapple.

The last one is maybe followed by dessert at **Milton's Cuisine and Cocktails**. This area is chock-full of character, culture and coveted calendar items.

Other coveted items include this issue's businesses that you and your community nominated and voted as the Best of Roswell/Crabapple. From doctors and wellness services to home improvement professionals, restaurants and more, these are the people you trust with the things that matter most, again and again. Meet the entire 2026 class at atlantabestmedia.com, and get ready to start exploring!

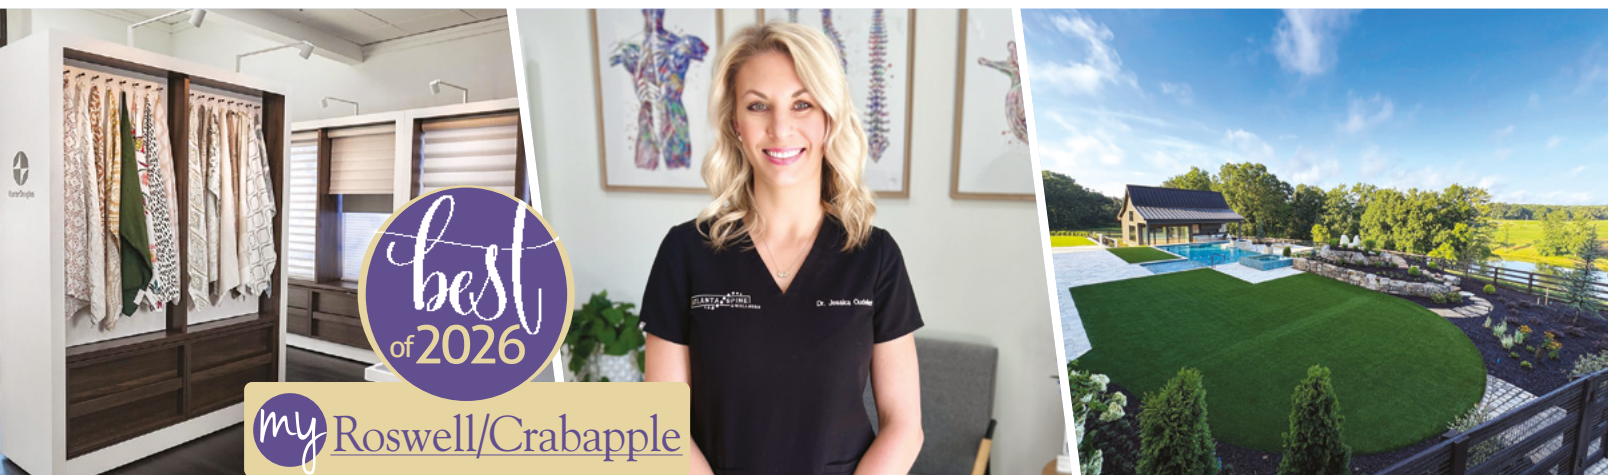

And speaking of some of the best, in this issue we get to introduce you to men's health advocate and groundbreaking prostate cancer surgeon **Dr. Scott Miller**. Read his story on page 25.

Have you discovered something special to do in Roswell/Crabapple? I'd love to hear about it. Enjoy all of the fun things to do over the next few pages—and there's even more online. Let's dive in together to everything this area has to offer!

my Food Faves

Tried and true or new to you

We love a classic breakfast, but **The Nest Cafe** gives it a whole new spin. Their signature **Lolly Waffles** are freshly made and served on a stick. Available in classic, blueberry or chocolate chip flavors, these handheld treats come three to an order and are perfect for sharing (or not!). Pair them with fresh fruit or crispy tots for a fun, made-to-order meal. 1845 Heritage Walk, thenestcafe.net

1

2

Slow down and savor contemporary Southern cuisine rooted in a farm-to-table philosophy at **Milton's Cuisine & Cocktails**. Our pick? The **Blackened Salmon**, paired with creamy pimento cheese grits, garlic spinach and a citrus-basil beurre blanc is the perfect blend of Southern comfort and elevated flavor. Pair it with one of their signature cocktails. 800 Mayfield Rd., miltonscuisine.com

3

Amidst a menu of made-to-order, mix-and-match, single-serve pies, indulge in **Doodle Pie's Build-Your-Own Pie Sundae**. This dessert for two features a hot sweet pie, customized or from their signature menu (we love Anne's Rocky Road), and comes topped with two scoops of creamy vanilla ice cream, piled-high with whipped cream and sprinkled with your choice of toppings. Need more sweet? Stop by anytime for their Pie of the Month. 1105 Woodstock Rd., Ste. 140 doodlepies.net

GRANA'S COW'S MILK RICOTTA CANNOLI FILLING

Known for its authentic Southern Italian cuisine, Grana is sharing one of its sweetest secrets: Chef Elliot Cusher's Cow's Milk Ricotta Cannoli Filling. Rich, creamy and full of traditional flavor, it's worthy of any Italian bakery.

INGREDIENTS

16oz ricotta impastata	2g vanilla bean paste	70g powdered sugar
2g salt	2g lemon juice	

DIRECTIONS

Combine all ingredients in a mixing bowl and mix by hand. Transfer the mixture to a mixer and blend until smooth and fully combined. Place a piping bag in a quart container and fill the bag three-fourths full with the mixture. Remove the bag and use a bench scraper to push the mixture toward the tip. Tie off the top with butcher's twine. Cut the tip off the piping bag and fill the cannoli shells. Top with desired ingredients before serving.

COMMUNITY SPOTLIGHT

"Touch-A-Truck has quickly become one of our most popular events. We started it in 2023 as a way to highlight the incredible work of our public safety teams, and more than 4,000 people came out in the first year alone. There's something about getting up close to these massive trucks and equipment that brings out the kid in everyone. My personal favorite vehicle we've hosted so far?

Without a doubt, the Oscar Mayer Wienermobile in 2024."

PROFILE

Scott D. Miller, MD, MBA

PIONEERING SURGEON • MEN'S HEALTH ADVOCATE • MUSICIAN ON A MISSION

By Wyndi Kappes

By the time a man sits across from Scott D. Miller, MD, MBA, with a prostate cancer diagnosis, the conversation has often become deeply personal. Not just for him, but for the family and friends who love him. For years, Dr. Miller has worked to start that conversation earlier, when awareness, education and screening can make a difference.

A part of Atlanta's medical community since 1995, Dr. Miller serves as Medical Director of Wellstar Urology and Director of Wellstar Robotic Surgical Services. As the first urologist to perform laparoscopic and robotic surgery in Georgia, Dr. Miller has one of the largest, most diverse experiences with these procedures in the Southeast. A national leader in robotic surgery, he has performed over 3,500 robotic surgeries.

Still, Dr. Miller was driven to do more to reduce the impact of prostate cancer in his community. That's why in 2009, he founded ProstAware, a nonprofit dedicated to bringing prostate cancer education out of the exam room and into everyday life.

Through events like the Blue Ties Luncheon and Roswell's own run4DAD, ProstAware meets men where they are: around lunch tables, on race routes at sporting events and more. In doing so, ProstAware is changing the dialogue about prostate cancer and empowering men and their loved ones to take action.

"Our vision is to have every man we encounter undergo prostate cancer testing and to talk with their doctor about reducing prostate cancer risk," Dr. Miller says. "We want to remind men that taking care of their health matters not only for them, but for the families who love them. At the heart of it all is a simple message: early detection saves lives."

Away from the operating room, Dr. Miller is a husband, father of two, avid songwriter and guitarist. Around Roswell-Crabapple, you might find him browsing instruments at **Righteous Guitars**, catching live music at **Ameris Amphitheater**, or enjoying a meal with his family at **Vas Kouzina**. He also loves spending time outdoors, whether that means a walk down **Canton Street** or another favorite local spot.

1 Help **Foster Care Support Foundation (FosterCares)** provide children in foster care with essentials like clothing, shoes, toys, books, school supplies and more. Volunteers **sort and distribute resources, assemble and safety-check infant equipment, clean toys**, donate useful items and more. 115 Mansell Pl., fostercares.org

2 Lace up, hit your stride and run with heart at the 13th Annual **RocketShot 5K** on Aug. 1. This certified Peachtree Road Race qualifier **benefits the local sports community** through the Jamie McHenry Memorial Foundation. 9310 Scott Rd., liveforjamie.net

3 Work with **STAR House** this school year to help underserved children succeed academically and beyond. Help with **after-school tutoring, mentoring and enrichment activities** that provide a safe, supportive learning environment to equip children with confidence, skills and a sense of belonging. 419 E. Crossville Rd., Ste. 102, starhousefoundation.org

4 **LifeSouth Blood Drive** arrives at Chattahoochee Nature Center on Aug. 7. Local community members are invited to **donate all blood types** to help address local needs, with convenient appointment times available throughout the day. 9135 Willeo Rd., chattnaturecenter.org/events/lifesouth-blood-drive

“LifeSouth has become a valued partner of Chattahoochee Nature Center, bringing its mobile blood drive to our campus each quarter and collecting more than 20 units of blood per visit to help save lives across Metro Atlanta. Over the years, our employees, volunteers and guests have frequently expressed appreciation for the opportunity to donate locally and support a cause that makes a meaningful impact in our community.”
