A Day Downtown

A stroll through downtown Newnan easily spills over into a whole day well spent. From first stops at **Newnan Book Co.** to peruse new reads (I got an author-signed copy! Read more about them on page 7) to shopping trips inside **Blue Moon Clothier** and **Gillyweeds**, there's constantly a new, unique find to write home about. Walking, shopping and taking in the sights of the nearly-200-year-old town works up an appetite, easily satiated by cheesesteaks at **Apollo's Steaks** and a sweet treat (or coffee pick-me-up) at **Brown Street Bodega**. One more stop sets you up for dinner: **Cleaver and Cork**. Pick out prime cuts for the grill, plus artisan gifts to complete a gourmet evening at home.

Speaking of time well spent, on page 10, **we've got the businesses that you and your community nominated and voted as the Best of Newnan.** From doctors and wellness services to home improvement professionals, restaurants and more, these are the people you trust with the things that matter most, again and again. Meet the entire 2026 class at atlantabestmedia.com, and get ready to start exploring!

How do you spend your day in Newnan? I'd love to hear about it. In the meantime, enjoy our ideas for fun things to do over the next few pages—and there's even more online! On our website, meet the co-founder of Lighthouse Special Education Academy, **Lauren Norris**, and read up on ways to get hands-on doing **Good in the 'Hood**. Let's dive in together to everything Newnan has to offer!
